

## Breastfeeding Policy

Having a breastfeeding policy is an effective way to ensure that all staff are aware that the organization supports breastfeeding.

[Name of business or organization]

### Our Commitment Is To:

Educate new managers, staff and volunteers about this policy.

Promote and support breastfeeding anytime, anywhere.

Support the conditions (time, space and support) necessary to facilitate breastfeeding by employees.

Space permitting, provide an area for women who choose to feed their babies in private, or to pump.
